## From the Potentate

Nobles,

Nobles, at our special election meeting last Wednesday August 28<sup>th</sup>, 2019 Illustrious Sir John Limb was elected to the position of Chief Rabban. I am sure he will be able to assist in the effort to eliminate the strife that has plagued our organization recently. Illustrious Sir John deserves support from all members of El Kalah Shrine and has recited in his installation after the election, he is willing to do everything in his power to aid the progress of El Kalah Shrine and exhibit the leadership which I am sure will result in his and everyone else's participation to the fullest extent in all activities which make our Shrine more fun.

I'm sure you have all heard about the steak dinner that the Divan sponsored at Kelly's Grove for the Central Utah Shrine Club. Most of our Divan was in attendance as well as the officers and several members of the Shrine Club. We enjoyed top sirloin steaks, corn on the cob, sliced tomatoes, baked beans, Coleslaw and cantaloupe and everyone was very happy that we didn't bring dessert! Nobles we realize that there will always be overlaps with functions that should be attended by all of our Nobility and this was the case for the Central Utah Shrine Club. This visitation was held at the same time as the monthly mini-bike meeting. We are striving to eliminate all of these overlaps. I know our Assistant Rabban David Brown is working diligently toward this end. We have a call-out parade in Manila on August 31<sup>st</sup> and even though this will be over by the time this Minaret is published, we are still looking forward to the Peach Days Parade in Brigham City which will be on Saturday September 7<sup>th</sup>. Illustrious Sir John Limb assures me that he will do his best to represent me at the parade as I will unfortunately be out of town.

We have several other visitations which have not yet been solidified but as dates are planned, you will all be notified via Constant Contact and we hope to have excellent representation from our Nobility especially our members of the Cabiri.

I'm sure most of you have heard about the success of our classic car show "Kruisin' for Kids" which was held about a week ago and our Shrine was very well represented by the Clowns and Fire Brigade. There were 365 classic cars at the show and a check was presented to the hospital for \$30,500. Congratulations to everyone who helped out with this outstanding event.

The date of November 15<sup>th</sup> will be the fundraiser for President George W. Bush who will be speaking to the community at large about Shriner's Hospital and highlighting El Kalah Shrine and the work they do to support our hospital system. Further details will be forthcoming.

Sincerely and Fraternaly,

*Robert N. "Bob" Shupe, Potentate*

## *From the Chief Rabban*

Please welcome John Limb, PP to the 2019 Divan. Noble John was elected to the position of Chief Rabban August 29 filling the spot left vacant by Noble Ron Finner who resigned due to health issues. We thank Noble Ron for his years of dedicated service to our Hospital and to El Kalah Shrine and look forward to working with Noble John in the months to come.

## *From the Assistant Rabban*

Greetings!

First, I'd like to welcome John Limb to the Divan and say we're looking forward to working with him. And we've got a lot of work to do.

The summer is almost over and we had a great time this year. Lots of parades and visitations. Someone once told me the life of a Shriner is drive, drive, drive, eat, eat, eat, drive drive, drive. This summer sure lived up to that.

We've got some big fundraisers coming up. The Shriner Golf Tournament is Friday, Sept 6th. We're working the Foreigner concert Friday Sept 13th, the Leonard Skynard concert Friday Sept 20th and the Breaking Benjamins concert Wednesday Sept 25th. And the hospital Walk of Love September 20th and 21st. There's a lot of work to be done and we're gonna need a lot of volunteers.

Please sign up, come out and have fun. El Kalah needs your help.

*Dave Brown,*  
Assistant Rabban

## *From the High Priest & Prophet*

Nobles and Ladies

As we approach the end of the "dark time" and busy parade and other various event time of our year, along with other changes in our Temple, we can only hope that everyone is able to move forward in a positive manner. New Divan members, goals of a five-year plan, and even though it wasn't well attended, we did have a successful season of fundraisers for the hospital and the shrine.

I have learned a lot this year and look forward to learning and expanding even more if the opportunity to do so is presented. I along with the other Divan members are all on the same bus and would like everyone else to get on as well. We are here to raise money for the hospital, the shrine and have fun doing it.

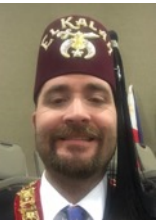

As I sit here spending Friday evening with the family in Manila, Utah. I think to myself what we need to do to reach more of our small-town Utah/America communities. As well as how we can get more awareness and membership from said communities. It is the sum of ALL the parts of this Shrine that make it work. So, let us all move forward and grow our Shrine. Our population should warrant more members, so how do we reach that?

If everyone could bring in one new Shriner, our base numbers would double. I hope to see everyone at the next meeting and Brigham City parade.

In Solidarity,

*Michael "BOOTZ" Clark,*  
High Priest & Prophet

## *From the First Ceremonial*

Nobles and Ladies,

It is that time of year. The time of year we watch kids go back to school. The time of year when American football starts again. The time of year when the heat of the summer gives way to the coolness of the fall. When the colors of the leaves on the tree's begin to change as they prepare for the next extreme in weather.

The seasons and times continue to move forward and change. And so, must we. We must never sit on what had occurred in the past. We must learn from the past. We must remember the past. But we must ever be changing to prepare for the next harsher seasons ahead.

*Daniel "Danny" Drew,*  
First Ceremonial

## *From the Oriental Guide*

Hello Brothers and Nobles,

As the election for the Chief Raban is over let us move forward and unite together to go back to the basics of what we are all here to do, by helping the kids and the hospital. Let us finish the year off strong with brotherhood, friendship and charity. I would like to extend my congratulations to Noble John Limb for his election as the Chief Raban and I look forward to working with you.

I want to let everyone know that I am working on an El Kalah Temple fundraiser in Utah County for October 22, 2019. I want to make everyone aware of it, but it has not gone all the way through the approval process yet. I have been working with Texas Roadhouse in Lehi to do a "Tip-a-Shriner", where we as Shriners can go and work with the wait staff at the restaurant and talk with the diners and let them know what we do. Then they can have the opportunity to leave an additional tip for the Shriners.

When we have the final approval, I will be reaching out to you for some help that evening. If this is something that you are interested in helping with, please let me know. From what I understand this is the first time that we have done this type of fundraiser and I for one am excited to try something new.

# From the Chaplain

My Dear Nobles;

By the time you read this article, we will have conducted the first meeting of the El Kalah Shriners Legion of Honor. The initial response to my message in last month's Minaret was not too bad, but not quite what I had hoped for. If you are a Veteran and served honorably, please consider joining the Legion of Honor with us. We need you! This will give us another opportunity to demonstrate to the world who we are. Call/email/text me if you have any questions or would like an application. There is an application form in this month's Minaret for your convenience. Regardless, please contact me

As summer draws to a close, I hope all of you have gotten your internal batteries recharged and are full of energy for this year. We have many activities coming up and we need a strong El Kalah Shriner presence. Yes, people know who we are, but I also have heard many comments from "outsiders" (and also some "insiders") that we aren't what we used to be. I'm confident most of you have heard the same thing. We need to focus on rejuvenating our image in a strong and positive manner. Our shining star may be a bit tarnished, but we can polish it up to the gleaming beauty we once enjoyed if we work together. El Kalah is us – **WE** make it what it is. If there is some aspect you are not satisfied with, get involved and make a change!!

Now for the smile:

In a convent in Ireland, the 99-year-old Mother Superior lay quietly. She was dying. The Nuns had gathered around her bed, laying garlands around her and trying to make her last journey comfortable. They wanted to give her warm milk to drink but she declined. One of the Nuns took the glass back to the kitchen. Then, remembering the bottle of Irish Whiskey that had been received as a gift the previous Christmas, she opened it and poured a generous amount into the warm milk. Back at Mother Superior's bed, they lifted her head gently and held the glass to her lips. The very frail Nun drank a little, then a little more and before they knew it, she had finished the whole glass down to the last drop. As her eyes brightened, the Nuns thought it would be a good opportunity to have one last talk with their spiritual leader. "Mother", the Nuns asked earnestly, "Please give us some of your wisdom before you leave us." She raised herself up very slowly in the bed on one elbow, looked at them, and said, "DON'T EVER SELL THAT COW..."

See you soon!

*Chuck Warren*,

Your El Kalah Chaplain

# From the Recorder

Greetings, Nobles!

Another hot and dry Summer is nearly behind us. And I am writing this piece after an exciting day of fire watch. We started out being awakened by a telephone call from a dear friend who wanted to know whether we were being evacuated. BOOM! Wide awake in seconds. Evacuated for what, as my not so wide-awake mind was thinking already that we are too high up the mountain to be concerned by flooding... or are we...? Still not wide awake... Evacuated for FIRE!!! WOW! Now wide awake... Just like when I was on SAC Bomber Alert when we ran for the bomber at the sound of the klaxon like the place was on fire...Grab some britches and dash for the door; open it and overwhelming smell of something burning. But no visible smoke out the front door. However, out on the back deck, facing the Great Salt Lake, there was plenty of smoke to see and smell. TV news on the Gun Range Fire! Thankfully our first responders - local, state and federal (including hotshots from Idaho) did their job. There were a couple of DC-10 aerial tankers which dumped a few loads of red retardant along with several helicopters hauling water. I drove up near the site this evening and could see the red hillsides where the DC-10 tankers had unloaded. The tankers "boxed" the fire to limit its spread and the wind reversed. Out of an abundance of caution, over 200 evacuated homes will remain unoccupied until Saturday morning of Labor Day weekend. Inconvenient, but alive. WELL DONE First Responders! Incident Commander Brandon Everett, son of our own Jerry Everett, was on TV reporting to the governor about the status of the fire and its cause.

Now back to business. Please be mindful that dues notices are being distributed this month both by email and by USPS for those who do not have an email address in the Shrinenet system. So please keep an eye for "junk mail" so you do not miss your dues notice. El Kalah has 54 members who have not yet paid their 2019 dues. Of those, 28 will be up for suspension in December in accordance with El Kalah bylaws because they also owe 2018 dues. If you are one of these Nobles, please call the office so we can work with you.

Stay cool.

Sincerely & Fraternaly,

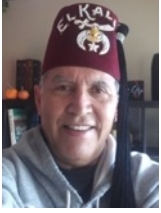

Fraternaly,

*Al Hokins, Recorder*

# The Minotaur in the EA Degree

Greetings All!

Greek mythology was inspired by Egyptian mysteries. Both have contributed to Masonic ritual. Let's examine the former's Myth of the Minotaur in search for Masonic roots.

In a nutshell, the Myth tells us about Princess Ariadne helping Theseus slay the Minotaur in the labyrinth where the monster lived. She gives him a balled-up spool of twine for him to find his way back out. The escape paths out of the labyrinth coiled like the Caduceus' double-helix. A Masonic connection does not jump out, does it? Let us dig a little bit.

I believe the Senior Steward alludes to this myth in the preparation room when he admonishes an initiate to divest himself of all *"distinctions and equipment that are not in keeping with [a] humble, reverent and childlike attitude."* The SS is asking him to "slay the Minotaur" for his own good and that of the Lodge he is about to join. The Minotaur has been interpreted as our ego, something we cannot overcome until we integrate the Male/Strength (Theseus) and the Female/Wisdom (Ariadne) parts of our nature. The Caduceus is a symbol of Harmony, or Healing through Integration or Balance. Its serpents symbolize Strength and Wisdom. The spool appears to represent our Cable-tow. With it we stand a chance to escape the labyrinth of illusion where the Ego is trapped. Practical interpretation: whenever we see conflict within us and our Lodges, it is because the Minotaur is winning. Have fun!

Hugo Rodier, MD, Board of Governors, Shriners Hospitals for Children

## From Daughters of the Nile

Greetings All!

It's hard to believe that this very hot and dry Summer is almost over (not that I mind); and our dark season will end. All of our Masonic families will be back full steam ahead in September. The Daughters of the Nile have been busy even while we were in "off season." We had a luncheon on August 10<sup>th</sup> to commemorate and award our Legacy Members. We are fortunate to have several families who have generations of members. We met at the home of our Past Supreme Queen Eleanor Carlston and had a great time. August 30<sup>th</sup> we had our first Game Night, held at the Bountiful Masonic Temple. Princess Tirzah planned this fundraiser with games, snacks and drinks. We had a fun evening and look forward to having it again. In September, we are back to our regular meeting times and schedule: Ogden Nile on September 12<sup>th</sup> at 6:00 PM. Price Carbon Nile, Queen's Visitation on September 13<sup>th</sup>. Stated Session, September 19<sup>th</sup>: light supper, 6:00 PM; Meeting at 7:00 PM. The Shriners hospital for Children Annual Walk for Love is on Sept 21<sup>st</sup>. Lybia Temple No. 32 is pleased to be participating in the day of events. We are also preparing for the Supreme Queen's visit on October 21<sup>st</sup> and 22<sup>nd</sup>. We look forward to showing her Lybia Temple and our Shriners Hospital. Hope you all have a wonderful year and that we are all able to do a lot for the children.

*Sylvia Hokins, Queen,*  
Lybia Temple No. 32

## From Ladies Oriental Shrine

Hello Ladies and Nobles.

It's time to get back to work. I hope everyone had a great summer. We in LOSNA have had a very busy summer. In August our Grand High Priestess, Lady Lynda Stone came for her official visit. I would like to thank the Bountiful Masonic Temple for letting us have our meeting in their beautiful temple. As an extra honor, our Grand Second Ceremonial Lady, Lady Karen Prezytula also came to our official visit. What wonderful Ladies. Lady Lynda is from Canada and Lady Karen is from Detroit. On August 24<sup>th</sup> we had our Court Brunch at Lady Connie Young's home. Once again, Lady Kim Stenner outdid herself with the wonderful food she prepared. But we surprised her, it was her birthday and cake, candles and singing Happy Birthday were part of the day. Our next event is the Peach Days Parade in Brigham City. We always have a good time in the parades. We hope to see a lot of Fez wearing participants.
