## From the Potentate

Greetings all!

July been a very busy month for us, we had Imperial Session at the first of the month with several parades on the weekends. I would like to thank all those who came out to support our parades. The parades are a great way for the public to see us and know that we are still around. Make sure you read our Noble Recorder's article as it has some updates on what took place at Imperial Session. We have a couple more call-out parades this year. There was one in Price on July 31. The next call out Parade will be Peach Days September 11. More information to come on this parade. I hope everyone is safe and doing well. As always reach out to your Divan if you have any questions or concerns. Thanks for all you do.

*Jeremy Estes, Potentate*

## From the Chief Rabban

Fellow Nobles and Significant Others,

Not to make it sound like we are burning through another year too quickly, but with July on the books now we do have some positive news and information. Although when the flood gates opened after COVID, we had big dreams and hopes of many success stories, but sometimes we must learn to crawl before we can walk. We had our first in-person meeting before going dark, Illustrious Potentate Estes was able to attend Imperial, we have multiple perspective Nobles knocking on the door of the Temple either from other Temples or coming up through their Masonic journey or wanting to start that journey with the intent of becoming Nobles. Another positive is we have participated in many parades and even won Chamber of Commerce Pick for the South Salt Lake parade, no trophies but we did obtain bragging rights.

On the topic of parades, Ogden Pioneer Days provided a good turnout of both parade attendees and Shriners. We had another call out the weekend of July 31<sup>st</sup> in Price. A food for thought note on parades, if an individual Unit or Club submits for a parade entry; please send the parade info out to all so any Shriner, Unit or Club may attend. The more Fez's we have at parades and public events,

---

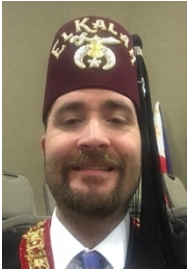

---

the more chance we have of drawing in new Nobles, even if it's just one! Aside from parades, our next big event in the works is the Pinewood Derby in October, which is looking very positive to have a lobster and/or spaghetti dinner.

We all hope everyone is enjoying the summer and getting out of the house for some short or even long vacation or breaks.

*Michael "BOOTZ" Clark, Chief Rabban*

## *From the Assistant Rabban*

Dear Nobles and Ladies,

July was a wonderful month. I have enjoyed being able to get to see many of you as we have been able to participate in parades again. In July El Kalah had two call out parades. Pioneer Parade on the 24<sup>th</sup> of July in Ogden. Which was a wonderful parade. It is probably the longest parade of the year, but this year, it was done faster than ever. After the Ogden parade the Ogden Shrine Club invited us to the Ogden Temple and their Pavilion for a hot dog and hamburger barbeque. What a great time we had meeting and talking with the great nobles and ladies in Ogden. Then the last day of July we joined our brothers and sisters down in Price for International Days. I always enjoy going to Price. It reminds me of when I taught in Blanding, and we would go up to Price to go shopping or for entertainment. The International Day Parade is probably the shortage parade we do each year, but it is probably the most fun, with the most enthusiasm from its populace. After the International Days Parade the Price Shrine Club invited us to a local park for a hot dog and hamburger barbeque. What a great time we had meeting and talking with the great nobles and ladies from Carbon County. I hope you all enjoyed your July.

From my lady and children may the grand architect of the universe bless you all.

*Daniel Drew, Assistant Rabban*

---

## *From the High Priest & prophet*

Dear Nobles and Ladies,

July 24<sup>th</sup> was the Ogden Pioneer Days parade, and it was a great experience. The firetruck, the clowns, the Harley, and the minibikes were there to support El Kalah. The parade itself was a lot of fun, there were a lot of spectators that gave us the thumbs up as we went past. It feels good to know you are a part of an organization with as good a reputation as the Shriners. The best part happened before the parade. As we were getting ready two ladies came up separately to thank the Shriners for the hospitals. The ladies were either a past patient or had family members treated and their appreciation for the hospitals was overwhelming. This is what we need to remember, the good works that we support and the Masonic values that make it possible.

*David Hutchinson, High Priest & Prophet*

## *From the Recorder*

Good day Nobles and Friends,

As many of you know, July was an old fashioned and busy month as we return to normal. Parade season is in full swing, and several of us were in Ogden for their July 24<sup>th</sup> celebration. At the beginning of July, following the Shriners Recorders Association meeting, I joined the Potentate at the Imperial Legislative Sessions in Houston, Texas. Because there was no Imperial Session last year due to COVID, there were two years of work to do this year. The meetings were run efficiently, and the agenda was addressed.

There are two items of interest which will be detailed next: 1) Elected Officer training requirement was approved: Beginning late 2022, in order to be elected to the office of Potentate, a candidate must have a record from Imperial of having completed officer training courses offered by/at Imperial. More detailed information will be published in the future. 2) NOT approved: A motion to increase Imperial Per Capita from \$30 to \$50 per year. Justification included the facts that various costs continue to increase while membership continues to decrease and is now in the neighborhood of 198,000 Shriners. The motion failed by two per cent of the vote (37 votes). So: there will be no per capita increase

---

---

this year when 2022 dues are assessed on August 1<sup>st</sup>. An educated guess is that this per capita increase will probably surface, again, next year.

Another item of interest is the Annual Dues Roll Over. By the time this article is in print, Imperial will have assessed the 2022 dues in the accounts of all Shriners, world-wide. In accordance with El Kalah Bylaws as changed and passed in 2018, dues for 2022 will increase \$3 over 2021.

That's it from Imperial. Stay safe and stay healthy.

*Al Hokins, Recorder*

## *From the Oriental Guide*

Greetings all.

Well, it's summer, our business meetings go dark, but to a Shriner it is parade season. By the time this message hits the press we will have participated in two call-out parades and some clubs or units have been in more. We're glad you have scrambled and made it out to them, and thanks for the support. We have one more call-out parade coming up in September - Peach days on September 11<sup>th</sup>. The Irish will be back in March for St. Patrick's Day. One more thing - Walk for Love will be virtual from September 10 - 18, sign up at [walkforlove.org](http://walkforlove.org) and follow the directions.

Enjoy the summer fun,

*Blake Hansen, Oriental Guide*

## *From the First Ceremonial Master*

Greetings, Nobles.

This year is half over already. We just had our first call-out parade of this year, the Ogden Pioneer Days Parade. It was a blast and I want to thank all of you who attended the parade and then the picnic at the Ogden Masonic Temple pavilion afterwards. We had a wonderful time. The parade started at 9 and we were close to the front, so we got finished before it got too hot. I know there are a few parades left this summer but the next big one scheduled is Peach Days in Brigham City the week after Labor Day.

---

---

Why did I become a Shriner? I didn't join Masonry to become a Shriner, but I always liked what the Shriners stood for, helping the kids. A few years ago, I was invited to go to Shriner's Hospital for their Christmas Party. To see the huge (I'm not exaggerating) smiles on those kids' faces just melted my heart. If I wasn't sure if I wanted to be a Shriner when I walked in, I sure as heck did when I walked out. That's what it's all about for me. I want to help make a difference in their lives. I just wish I had time to donate helping at the hospital. We can have fun in the parades and parties, but it comes down to one thing—the kids.

Fraternally,

*Timothy L Stenner, First Ceremonial Master*

## *From the Chaplain*

Dear Nobles, Ladies, and friends.

I am certain many of you are getting a bit tired of all the heat we have been enduring recently but, fortunately, this too shall pass and before long we'll probably be griping about the cold, the snow, etc. Mother Nature provides something to give each of us something to complain about (or, if we choose, to be happy about).

I suspect many of you know someone who is still suffering from the ravages of the COVID pandemic. I know I do. Although it seems like we are finally over the peak of the pandemic, we still need to be cautious. Whether or not you have chosen to get the vaccine, that is certainly your personal alternative but regardless, please be careful and take the proper precautions whenever out in the public sector, which most of us will be now that it is the peak of summer activities.

Especially since many of our Masonic organizations go “dark” during the months of July and August, now is a great time to pick up the phone and give a Brother or Sister a call just to check in and see how they are doing. I know I have been very glad to meet up in person with some of my dear friends and it is good to hear their voices when I can't see them in person.

Last month I presented a brief article regarding the Coordinating Committee. I had hoped to get a lot of responses from the leadership of all the Masonic Family organizations but, unfortunately, that did not yet happen. Therefore, just in case you may not have noticed the information, I am including most of the same message again here: *Several years ago, there was a group of people who comprised the Coordinating Committee. It was made up of representatives of each of the varied organizations within the Masonic Family.*

---

---

*They used to meet and hash out the calendar to minimize the conflicts in schedule that invariably wreck our best laid plans. I have discussed this with Grand Master Dan Lawes and Deputy Grand Master Jason Allred. They have agreed to allow me to see if I can resurrect this function. I am proposing we meet quarterly (if not more often, if required) via the Zoom platform. I hope the leaders of each of the Masonic bodies (Lodges, Scottish Rite, York Rite, Shriners, DeMolay, Jobies, LOS, DON, etc.) will contact me with the name and contact information of their chosen representative(s) to this Committee so I can begin establishing and reactivating the Committee.*

Now, it's time for the corny jokes: *Sign on a maternity room door: "Push. Push. Push." Sign in a taxidermist's window: "We really know our stuff." Sign at a podiatrist's office: "Time wounds all heels." Sign at a veterinarian's waiting room: "Back in five minutes. Sit. Stay." ~~ A rather absentminded girl was bragging about her knowledge of state capitals and said proudly, "Go ahead and ask me. I know them all." "OK," her friend replied. "What's the capital of Wisconsin?" "That's easy!" the girl exclaimed. "W." ~~ A truck driver saw a sign ahead of him that read, "Low bridge ahead." Before he knew it, the bridge was right in front of him, and he got stuck. Cars were backed up for miles. Finally, a police car arrived. The officer got out of his car, walked around to the truck driver, put his hands on his hips and said, "Got stuck, huh?" "No." the truck driver replied. "I was delivering this bridge and ran out of gas." Don't blame me. Remember, I don't create these stories – I just steal them from other sources and share them with you!!*

Be safe and take care. God Bless you and yours

Chuck Warren, Chaplain

## *From the Klown Corner*

The Clowns will have their next potluck dinner at Kelly's Grove Pavilion on August 15<sup>th</sup> at pm and they will attend the Kruizer's for Kidz classic car show at the Midvale City Park, 455 West 7500 South Midvale on August 21<sup>st</sup>. The show starts at 9am.

## From the Fire Brigade

Dear Nobles,

The El Kalah Fire Brigade parade unit is looking for a WOODEN ladder for our partially restored 1939 Ford fire truck. It needs to be 10 feet or more long and, in any condition, as long as it is structurally sound. An extension ladder is OK. If you have one or know of someone who does that would part with it, we would be happy to receive it. We have a modest budget for this, or we would be happy to accept it as a donation. Sorry, such a donation would not be tax deductible. You may contact me at 801 971 0710. Leave a message as I do not answer calls that are not on my contact list. Or you may email me at [kmkwilson@aol.com](mailto:kmkwilson@aol.com). Please use the word "ladder" in the subject line or risk deletion. Thanks for your consideration.

Respectfully and fraternally,

Noble Ken Wilson

## From the Marshall

Dear Nobles, Ladies, and Friends,

The Ogden Pioneer Days Parade was a real hoot. Both sides of Washington Blvd were packed with happy faces and bystanders waving their arms. The El Kalah Clowns and Mini-Bikes performed marvelously as usual. Mike Clark aka "Bootz" rode his Harley up and down both sides of the street while High-Fiving hundreds of children and some of their parents who also got into the spirit. Mike Clark's brother from Maine joined us as "Tag A Long" and with William Stamps "Wilbur" they greeted and entertained on foot. Richard Johnson "Rhineheart" brought up the rear in the Shiner golfcart with the giant Fez to be sure to rescue any of the Shrine contingent that may have fallen off the Firetruck or became involved with the crowd and got behind.

Speaking of the newly refurbished Firetruck, Ken Wilson drove the Firetruck and not once drove over myself and Potentate Jeremy walking in front of him and just behind the Ladies Oriental Shrine truck and trailer, driven by Tim Stenner, 1<sup>st</sup> Ceremonial Master. I don't think Ken lost any passengers off the back of the Firetruck either. He had Al Hokins, Recorder, riding shotgun; Daniel Drew, Asst. Rabban, Dave Hutchinson, High Priest & Prophet, and Chuck Warren, Chaplain; riding in the back. Mike Clark's wife was also riding in the back of the

---

---

Firetruck. The engine, transmission, floorboards, and many smaller improvements were made to the Firetruck, and it is a very welcome addition to our parade vehicles.

The Mini-Bikes, as usual put on a great road performance that was loved and appreciated by the crowds. A big thank you to their great effort and many hours of practice to provide good entertainment. Those present; Steve Bergen, Shawn Davis, Gary Felkner, Bob Green, Guy Johnson, and Kevin Lloyd. Also, a big thank you to their pit crew.

I want to apologize for not updating my phone number with the Shrine office. My phone number is 801-935-1907. This is an iPhone, so you can text me and being a cell phone, I usually have it close by me.

I also want to thank the Ogden Shrine Club for providing a great lunch after the parade at the pavilion at the Ogden Masonic Temple. Chef Gerald Everett PP prepared exquisitely divine hamburgers and hot dogs for us. I was really hungry, so I might be over doing it on the description.

Please join us at the next parade you can attend. We have a great time and getting out in the fresh air with fellow Shriners is good medicine.

*Mike Katsonis, Marshall*

## *The Book of Nature*

In the 18<sup>th</sup> degree of the AASR, we hear that “[God’s] revelation is the Book of Nature, which we must read by the light of Reason.” To that end, I recommend two summer reads: *Braiding Sweetgrass* is written by a Native American PhD Botanist. She Balances her scientific training with her Native American views. She tells us about her American Yahweh. Yahweh exists all around us as an integral part of Nature. This belief has imbued Native Americans with the utmost respect for the Earth and all therein, especially plants and animals. Mankind is a late comer: we must learn how to live on Earth in a sustainable way, as our older brethren have learned to do. In Native American languages, plants and animals are not “IT,” but “WHO.” Said language has no duality: it connotes a perfect Balance in Nature AND Thought. They understand that Strength and Wisdom must become one. The latter point is shared by Kant, no doubt a significant influence on the modern founders of Masonry and its ritual. Skip the first part of the book. From page 115 on, you will find Masonic concepts that inspire us to consider all points of view to come to a Balanced Truth, a lesson we sorely need to apply in our divided society.

# From Daughters of the Nile

Greetings All!!

I hope this article finds us all healthy and doing well!! I'm especially excited that we've been able to start gathering again! I truly have missed seeing some of you in passing and at other events. The last 18 months or so has been very lonely indeed. In June, Daughters of the Nile had our Supreme Session virtually!! Over 350 individual Ladies logging in for 3 days to "Take care of business"! We were able to vote on

Amendments, hear the reports from committees, and attend breakout sessions.

Over the years, Daughters of the Nile have been helping Shriners Hospitals for Children by raising over \$68 million! There are Temples all over North America, Canada, and now Brazil! There are so many of us that give countless hours in voluntary service in the many hospitals/clinics all around us. SO many children come from far and wide to get the help they need that sometimes the little things that the volunteers take care of are forgotten. So much would not get done if it weren't for the volunteers behind the scenes.

We have sewing committees. These talented Ladies help repair hospital gowns, pillowcases, sheets, and blankets. They also help make the cute little bears for the children that come in. When the hospital here in Salt Lake has their Walk and Roll for Love, the bears are part of a "Fair" that the kids are given and can dress the bears. Hopefully, we'll be able to have next years in person.

Sometimes, a family comes from long distances to the hospitals to get a life changing surgery. At the hospital, there's a Parent's Lounge for the families that must stay for more than one day with their children. There are a few that keep the cupboards and fridge stocked with ready to eat snacks and microwaveable meals for them.

Donations help more than you ever know. There are always donations of blankets being brought in. Hats during the winter. During the Pandemic, they put a request out for the need of masks. Amazingly, 2 Bethels here in Utah stepped up to help with the need!

In closing, I just want you to know the different ways that you too can help the hospitals. It really doesn't take much, and you won't even know you're doing some of it! Pop Tabs!! You know a lot of the Jobies collect them. Do you know why? Yup, the hospital takes them to turn them in for recycling. They're easier to store than the whole can and can weigh a good amount too. Take up a collection of children sized blankets, beanies, gloves, hospital equipment like crutches, even hotel sized toiletries help! Monetary donations to the Daughters of the Nile Foundation are always welcomed too, but if you want to see what you

---

---

do make a difference immediately, take a donation of items to the hospital yourself. Request a tour, they're more than happy to help you know and understand what they do there.

Thank you again for letting tell you a little bit more about this wonderful organization that I absolutely love! In a way, we're family taking care of family in the most charitable way.

Nile Love,

Deanna Adams, Queen, Lybia Temple No. 32

## *From Ladies Oriental Shrine*

Greetings All,

July was definitely been a quieter month for Iris Court. After Grand Council in Tucson the last half of May, then our Grand High Priestess visit the first week of June, followed by the yard sale the weekend after her visit, life has allowed us to take a breather. Whew! Breathe deep and let it out slowly..... Now we are getting ready for the Ogden Pioneer Days Parade. As you are reading this, we have been there, done that, and on to the next activity (not looking forward to the heat).

Iris Court is sponsoring a Heber Creeper Ride and Lunch. It will be on August 28<sup>th</sup>, at 10:30. We will be taking the 3-hour tour (sounds like the promo for Gilligan's Island - that's a scary thought) with lunch after we return. Provo Canyon is beautiful this time of year. Please consider joining us for this fun day. Call Mary Carstensen at 801-870-0698 to RSVP or if you have any questions. I have included the flyer in the Minaret, so please look it over. All ages are welcome to join in. If you know any Lady that would be interested in joining Ladies Oriental Shrine, this would be a great opportunity to meet us, and we would be more than happy to answer any questions.

A few of our activities for the coming months include an Open House Membership on Sept 28<sup>th</sup>; a possible event in October (still in the planning stages, if we can pull it off, it will be great); our annual Christmas Party on December 11<sup>th</sup>, definitely a must attend event; and a few more activities in the planning stages after the first of the year.

I have nattered on long enough. Have a great August.

Skunk Snuggles,

*Merrill-Lee Warren, High Priestess, Iris Ct #47*
